HOLIDAY HOURS

NEW FIRE STATION PROGRESS

Ground work is under way and you will start seeing more changes as the month progresses.

BEAUTIFICATION

Delta City has matching trash and flower containers to enhance Main Street. Please help us maintain our efforts to keep the City beautiful by not confusing the flower pots and trash receptacles. The trash receptacles have holes in the top with a plastic liner inside. The flower pots currently full of dirt and will soon have flowers. Also, not good exchange locations for illegal activities, since we check them often. You laugh, but it’s a continual problem.

LIBRARY NEWS
