Items for Discussion

- Pat Morley call Alan Riding about UAV airplane testsites, the Delta Airport is on the list for selecting ????
- The Slurry seal bid - Ken is making ~~sh~~ sure that the compass rose will be put back
- Steve ~~[illegible]~~ - tryed to ~~[illegible]~~ talk to Thayne H. w/the county about the golf cart path, he was gone. All Steve needs is to ~~[illegible]~~ find out what material is going to be used for the path, then it will be submitted to Scott Snow.
- Tom discussed the bi-plane, getting it ~~ready~~ from IPP, but he will get it after the outage.
- Tom asked Ken about getting a private pop machine and snack machine, he was fine with us doing that if someone wanted to do it.
- Talked about taking the walls out, we would need to have beams installed because there are a few that are bearing walls
- Steve drew up plans for the lounge on his computer.
- We talked about getting a wash pad and how it would drain
