Mayor Bunker stated that the purpose of the public hearing was to receive public comment regarding the proposed new Delta City Subdivision Ordinance. Mayor Bunker indicated that street width, which was brought up in the previous public hearing, is addressed in the subdivision ordinance. Mayor Bunker called attention to page 7 of the subdivision ordinance where a protection strip is defined. He had concern over what a protection strip was but will read the proposed ordinance more closely before discussing it further.

Mayor Bunker invited Council Members to spend some time closely reading the proposed ordinance and note any questions or concerns so they can be discussed at the next meeting.
