

RESOLUTION NO. 90-194

A RESOLUTION OF THE CITY COUNCIL OF DELTA, UTAH REVISING ANNUAL USER FEES FOR USE OF THE DELTA CITY LIBRARY BY NON-DELTA CITY RESIDENTS.

RECITALS

The City Council of the City of Delta, Utah, (referred to herein as the "City Council") hereby recites the following as the basis for adopting this resolution:

A. The Delta City library has experienced significant increases in maintenance and operation costs associated with the Delta City library.

B. The City Council has heretofore established an annual non-Delta City resident user fee in an effort to help defray those costs associated with the maintenance and operation of the Delta City library.

C. The City Council has determined, through records and other information made available to it by the Delta City Library Department, that certain adjustments should be made to library user fees to provide more equitable allocation of such costs among users.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Delta, Utah:

1. Previous User Fees Repealed. The current annual Delta City library user fees for use of the Delta City library by non-Delta City residents in the amount of \$1.00 per family for a two-year period is hereby repealed.

2. Adoption of User Fees by Non-Delta City Residents. The annual rates for user fees for use of the Delta City library by non-Delta City residents shall be increased from its current rates to \$5.00 per family per year for non-Delta City residents.

3. Effective Date. This resolution shall become effective upon adoption.

4. Severability. In the event that any provision of this resolution less than the entire resolution is held invalid by a court of competent jurisdiction, this resolution shall be deemed severable and such finding of invalidity shall not affect the remaining portions of this resolution.

5. Repeal of Conflicting Resolutions and Rate Structures Establishing Delta City Library User Fees. To the extent

that any resolutions, policies or procedures of the City of Delta conflict with the terms of this resolution, this resolution shall be deemed controlling and such other conflicting resolutions, regulations or policies shall be deemed amended to comply herewith.
