RESOLUTION NO. 10-330

A RESOLUTION ADOPTING A WATER CONSERVATION PLAN FOR THE CITY  
OF DELTA, UTAH

The City Council of the City of Delta, Utah, referred to in this resolution as the "City Council," hereby recites the following as the basis for adopting this resolution:

RECITALS

A. The Utah Legislature has determined that the state and local governments should consider a policy to address the water shortages prevalent throughout the state and implement such policy to conserve water for present and future use;

B. Section 73-10-32 Utah Code Annotated (1953), as amended, requires all retail water suppliers, which includes municipalities, to adopt a water conservation plan that contains ideas, suggestions, or recommendations as to what can be done by the local government to help conserve water and limit or reduce its use in the state in terms of *per capita* consumption so that adequate supplies of water are available for future needs;

C. Delta City currently operates a culinary water system with more than 500 service connections; and

D. The City Council understands the need to use water in a more efficient manner to allow for future sustained growth of the community;

E. The City Council adopted a conservation plan pursuant to § 73-10-32 Utah Code Annotated (1953) on June 17, 2004. On Thursday, January 21, 2010, the City Council conducted a public hearing, after duly published notice of said hearing, to receive and consider public comment on the Water Conservation Plan which was prepared by the City Council and to determine whether the plan required amendments; and

F. After considering the proposed Water Conservation Plan, the City Council has determined to adopt said Water Conservation Plan as set forth in the attachment to this resolution.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Delta, Utah:

1. Adoption of Water Conservation Plan. The Water Conservation Plan, attached hereto as Exhibit "A" and incorporated herein by reference, is hereby adopted as the Water Conservation Plan for the City of Delta, Utah.

2. Amendment to Water Conservation Plan. The Water Conservation Plan hereby adopted shall be updated no less than every five (5) years under that criteria set forth under Section 73-10-32(2), Utah Code Annotated (1953), as amended, or any successor statute enacted in place thereof.

3. Effective Date. This resolution shall become effective upon adoption.

4. Severability: In the event that any provision of this resolution less than the entire resolution is held invalid by a court of competent jurisdiction, this resolution shall be deemed severable and such finding of invalidity shall not affect the remaining portions of this resolution.

5. Repeal of Conflicting Resolutions. To the extent that any ordinances, resolutions or policies of the City of Delta conflict with the provisions of this resolution, they are hereby amended to be in accordance with the provisions hereof.

PASSED AND ADOPTED this 21<sup>st</sup> day of January, 2010.
